## Part A

The Pre-Departure Cancellation Fee Waiver Benefits of this Part A are provided by Collette Vacations.

### CANCELLATION WAIVER PROGRAM LIMITS

Pre-Departure Cancellation Fee Waiver ..... Trip Cost

#### Pre-Departure Cancellation Fee Waiver

Payment of a Per Person Waiver Fee guarantees a full refund of all payments (including deposit), except the Waiver Fee itself, made to Collette Vacations for travel arrangements in case of cancellation of your travel plans for any reason prior to the day of departure. The Waiver Fee With Air only covers airline tickets you have purchased from Collette Vacations.

**Exception:** If you originally purchased non-refundable airline tickets, the Waiver does not provide a refund for the airline tickets in the event of a cancellation (there is coverage under Part B for Instant Purchase Airline Tickets, if you cancel your Trip due to a covered reason - see Part B for more details). If you choose to cancel your cruise with Collette Vacations and you do travel on the cruise originally booked, no refund will be made by Collette Vacations for your cancellation.

**The Waiver Fee does not cover any single supplement charges which arise from an individual's traveling companion electing to cancel for any reason prior to departure. However, the Part B travel insurance includes a single supplement benefit of \$1,000 for certain covered reasons as detailed in Part B.**

In this case, the single supplement will be deducted from the refund of the person that cancels their trip. Claims for this benefit should be reported to Trip Mate. If insufficient funds are deducted from the canceling client, the traveling client will be charged the remaining portion of the single supplement. Payment of the Waiver Fee (if chosen) must be received by Collette Vacations with your Deposit.

The Waiver is non-transferable and valid for each applicant only. Collette Vacations can assume no responsibility for and cannot be held liable for any wrongful, negligent or unauthorized acts or omissions of any travel agent or travel agency other than that of Collette Travel Service, Inc. itself, and its own employees.

On tour, insurance benefits are provided if you: must interrupt your trip or return home early for a covered reason; incur medical expenses for a covered sickness or injury; need medical assistance or evacuation; suffer a baggage loss or delay; or are delayed on tour for 12 hours or more for a covered reason.

This Pre-Departure Cancellation Fee Waiver Benefit is provided by Collette Vacations and is not an insurance benefit underwritten by United States Fire Insurance Company.

**For residents of New York only:** The Pre-Departure Cancellation Fee Waiver Benefit may be purchased separately without purchase of the Travel Protection Plan.

**Dispatch of a Physician:** If the local attending Legally Qualified Physician and the Program Medical Advisor cannot adequately assess Your need for Medical Evacuation or Transportation, and a Physician is dispatched by the Program Medical Advisor to make such assessment, benefits will be paid for the travel expenses incurred and medical services provided by the dispatched Physician.

# Texas Guaranty Notice

## IMPORTANT INFORMATION ABOUT COVERAGE UNDER THE TEXAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

Texas law establishes a system, administered by the Texas Life and Health Insurance Guaranty Association (the "Association"), to protect Texas policyholders if their life or health insurance company fails to or cannot meet its contractual obligations. Only the policyholders of insurance companies which are members of the Association are eligible for this protection which is subject to the terms, limitations, and conditions of the Association law. (The law is found in the *Texas Insurance Code*, Chapter 463.). However, even if a company is a member of the Association, protection is limited and policyholders must meet certain guidelines to qualify.

### BECAUSE OF STATUTORY LIMITATIONS ON POLICYHOLDER PROTECTION, IT IS POSSIBLE THAT THE ASSOCIATION MAY NOT COVER YOUR POLICY IN PART OR MAY NOT COVER YOUR POLICY IN FULL.

#### Eligibility for Protection by the Association

When an insurance company which is a member of the Association is found to be insolvent and placed under an order of liquidation by a court or designated as impaired by the Texas Commissioner of Insurance, the Association provides coverage to policyholders who are:

- Residents of Texas at that time (**irrespective of the policyholder's residency at policy issue**)
- Residents of other states, ONLY if the following conditions are met:
  1. The policyholder has a policy with a company domiciled in Texas;
  2. The policyholder's state of residence has a similar guaranty association; and
  3. The policyholder is *not eligible* for coverage by the guaranty association of the policyholder's state of residence.

#### Limits of Protection by the Association

##### Accident, Accident and Health, or Health Insurance:

For each individual covered under one or more policies:

- up to a total of \$500,000 for basic hospital, medical-surgical, and major medical insurance;
- \$300,000 for disability or long term care insurance; and
- \$200,000 for other types of health insurance, that are not defined as basic hospital, medical-surgical, major medical, disability, or long-term care insurance.

##### Life Insurance:

- Net cash surrender value or net cash withdrawal value up to a total of \$100,000 under one or more policies on any one life; or
- Death benefits up to a total of \$300,000 under one or more policies on any one life; or
- Total benefits up to a total of \$5,000,000 to any owner of multiple non-group life policies.

##### Individual Annuities:

- Present value of benefits up to a total of \$250,000 under one or more contracts on any one life.

**Group Annuities:**

- Present value of allocated benefits up to a total of \$250,000 on any one life; or
  - Present value of unallocated benefits up to a total of \$5,000,000 for one contract owner regardless of the number of contracts.

**Aggregate Limit:**

- \$300,000 on any one life with the exception of the \$500,000 health insurance limit, the \$5,000,000 multiple owner life insurance limit, and the \$5,000,000 unallocated group annuity limit.

**THE INSURANCE COMPANY AND ITS AGENTS ARE PROHIBITED BY LAW FROM USING THE EXISTENCE OF THE ASSOCIATION FOR THE PURPOSE OF SALES, SOLICITATION, OR INDUCEMENT TO PURCHASE ANY FORM OF INSURANCE.**

**WHEN YOU ARE SELECTING AN INSURANCE COMPANY, YOU SHOULD NOT RELY ON COVERAGE BY THE ASSOCIATION.**

### **GRIEVANCE PROCEDURES**

When you submit a claim and that claim is denied, we will provide a written statement containing the reasons for the Adverse Determination. You have the right to request a review of any Company decision or action pertaining to our contractual relationship and to appeal any adverse claim determination we've made by filing a Grievance. These procedures have been developed to ensure a full investigation of a Grievance through a formal process.

#### **DEFINITIONS**

A “**Grievance**” is a written complaint requesting a change to a previous claim decision, claims payment, the handling or reimbursement of health care services, or other matters pertaining to your coverage and our contractual relationship.

An “**Adverse Determination**” is a determination by the Company or its designated utilization review organization that (i) a service, treatment, drug, or device, is experimental, investigational, specifically limited or excluded by your coverage; or (ii) a facility admission, the availability of care, continued stay or other health care services proposed or furnished have been reviewed and, based upon the information provided, does not meet the contractual requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness and therefore, the benefit coverage is denied, reduced or terminated in whole or in part.

#### **INFORMAL GRIEVANCE PROCEDURE**

You, your authorized representative, or a provider acting on your behalf may submit an oral complaint to us within 60-days after an event that causes a dispute. Telephoning allows you to discuss your complaint or concerns and gives us the opportunity to immediately resolve the problem.

If we don't have all the information necessary to review your complaint, we will request any additional information within 5 business days of receiving your complaint. After we receive all the necessary information, we will provide you, your authorized representative, or a provider acting on your behalf with our written decision within 30-days after receiving the complaint and all necessary information.

If the problem cannot be resolved in this manner, you still have the right to submit a written request for the complaint to be reviewed through the Formal Grievance Procedure, as outlined below.

#### **FORMAL GRIEVANCE PROCEDURE**

A formal Grievance may be submitted by you, your authorized representative, or in the event of an Adverse Determination, by a provider acting on your behalf.

If you file a formal Grievance, you will have the opportunity to submit written comments, documents, records and other information you feel are relevant to the Grievance, regardless of whether those materials were considered in the initial Adverse Determination.

##### **First Level Review**

Within 3 working business days after receiving the Grievance, we must acknowledge the Grievance and provide you, your authorized representative or a provider with the name, address, and telephone number of the coordinator handling the Grievance and information on how to submit written material. The person(s) who reviews the Grievance will not be the same person(s) who made the initial Adverse Determination. During the review, all information, documents, and other materials submitted relating to the claim will be considered, regardless of whether they were considered in making the previous claim decision. The Insured will not be allowed to attend, or have a representative attend, a First Level Review. The Insured may, however, submit written material for consideration by the reviewer(s).

Grievance

When the Grievance is based in whole or in part on a medical judgment, the review will be conducted by, or in consultation with, a medical doctor with appropriate training and expertise to evaluate the matter.

Following our review of your Grievance, we must issue a written decision to you and, if applicable, to your representative or provider, within 20-days after receiving the Grievance. The written decision must include:

- (1) The name(s), title(s) and professional qualifications of any person(s) participating in the First Level Review process.
- (2) A statement of the reviewer's understanding of the Grievance.
- (3) The specific reason(s) for the reviewer's decision in clear terms and the contractual basis or medical rationale used as the basis for the decision in sufficient detail for the Insured to respond further to our position.
- (4) A reference to the evidence or documentation used as the basis for the decision.
- (5) If the claim denial is based on medical necessity, experimental treatment or similar exclusion, instructions for requesting an explanation of the scientific or clinical rationale used to make the determination.
- (6) A statement advising you of your right to request a Second Level Review, if applicable, and a description of the procedure and timeframes for requesting a Second Level Review.

### **Second Level Review**

The Second Level Review process is available if you are not satisfied with the outcome of the First level Review for an Adverse Determination. Within ten business days after receiving a request for a Second Level Review, we will advise you of the following:

- (1) the name, address, and telephone number of a person designated to coordinate the Grievance review for the Company;
- (2) a statement of your rights, including the right to:
  - attend the Second Level Review
  - present his/her case to the review panel;
  - submit supporting materials before and at the review meeting;
  - ask questions of any member of the review panel;
  - be assisted or represented by a person of his/her choice, including a provider, family member, employer representative, or attorney.
  - request and receive from us free of charge, copies of all relevant documents, records and other information that is not confidential or privileged that were considered in making the Adverse Determination.

We must convene a review panel and hold a review meeting within 45-days after receiving a request for a Second Level Review. We will notify you in writing of the meeting date at least 15-days prior to the date. The review meeting will be held during regular business hours at a location reasonable accessible to you. In cases where a face-to-face meeting is not practical for geographic reasons, we will offer you the opportunity to communicate with the review panel at our expense by conference call or other appropriate technology. Your right to a full review may not be conditioned on whether or not you appear at the meeting.

If you choose to be represented by an attorney, we may also be represented by an attorney. If we choose to have an attorney present to represent our interests, we will notify you at least 15 working days in advance of the review that an attorney will be present and that you may wish to obtain legal representation of your own.

The panel must be comprised of persons who:

- (1) were not previously involved in any matter giving rise to the Second Level Review;
- (2) are not employees of the Company or Utilization Review Organization; and
- (3) do not have a financial interest in the outcome of the review.

A person previously involved in the Grievance may appear before the panel to present information or answer questions.

All persons reviewing a Second Level Grievance involving a Utilization Review non-certification or a clinical issue will be providers who have appropriate expertise, including at least one clinical peer. If we use a clinical peer on an appeal of a Utilization Review non-certification or on a First Level Review, we may use one of our employees on the Second Level Review panel if the panel is comprised of 3 or more persons.

Grievance

We must issue a written decision to you and, if applicable, to your representative or provider, within 10 business days after completing the review meeting. The decision must include:

- (1) the name(s), title(s) and qualifying credentials of the members of the review panel;
- (2) a statement of the review panel's understanding of the nature of the Grievance and all pertinent facts;
- (3) the review panel's recommendation to the Company and the rationale behind the recommendation;
- (4) a description of, or reference to, the evidence or documentation considered by the review panel in making the recommendation;
- (5) in the review of a Utilization Review non-certification or other clinical matter, a written statement of the clinical rationale, including the clinical review criteria, that was used by the review panel to make the determination;
- (6) the rationale for the Company's decision if it differs from the review panel's recommendation;
- (7) a statement that the decision is the Company's final determination in the matter;
- (8) notice of the availability of the Commissioner's office for assistance, including the telephone number and address of the Commissioner's office.

### **EXPEDITED REVIEW**

You are eligible for an expedited review when the timeframes for an Informal, formal First Level review or Second Level review would reasonably appear to seriously jeopardize your life or health, or your ability to regain maximum function. An expedited review is also available for all Grievances concerning an admission, availability of care, continued stay or health care service for a person who has received emergency services, but who has not been discharged from a facility.

A request for an expedited review may be submitted orally or in writing. An expedited review must be evaluated by an appropriate clinical peer in the same or similar specialty as would typically manage the case being reviewed. If we don't have the information necessary to decide an appeal, we will send you notification of precisely what is required within 24-hours of our receipt of your Grievance. All necessary information, including our decision, will be transmitted by telephone, facsimile, or the most expeditious method available. Provided we have enough information to make a decision, you, your authorized representative, or a provider acting on your behalf will be notified of the determination as expeditiously as the medical condition requires, but in no event more than 72-hours after the review has commenced. Written confirmation of our decision will be provided within 2 working business days of the decision and will contain the same items described in the written decision requirements for First Level reviews.

If the expedited review does not resolve the situation, you, your representative or a provider acting on your behalf may submit a written Grievance.

We will not provide an expedited review for retrospective reviews of Adverse Determinations.
